J. O. Nixon, Esq.:

Dear Sir: I wish, through your paper, the following facts may be circulated:

There is living in this county a man who has in his possession a little girl about six or seven years of age, blue eyed, rather sandy hair, which was stolen by a Union soldier during the last year of the war, somewhere in the South. He brought her North to this State, and his wife died, (he not having any children,) the little girl fell into the hands of another person, who wishes her proper parents to have her. Now, this fellow says he got her while on picket in Chattanooga, Tennessee. Yet we are not inclined to believe him, as he tells different stories about it. The impression is he did not take the child to relieve it from suffering, but he stole it from her parents, who, perhaps, think the child dead. Now, sir, if you will give this a place in your paper, it might be the means of relieving the hearts of some good and affectionate parents. The child is here, and don't know her name in full—only recollects that they called her Lucy Ann. She says her pa went off with a company of men who had guns. Her ma was away from home with her, and she was out playing, when this soldier picked her up and brought her off, promising her to take her back. You can take out of this letter such as will embrace the facts in the case and publish it, if you feel so disposed. I have written to different papers of the South, trusting they will also give this wide circulation, and trusting your efforts will be blessed. I am ever ready and willing to answer all inquiries which may be made.

I am, respectfully, THO'S. M. COX.

Southern papers will please copy.

The Funeral of Rev. B. J. Spalding.

One of the largest funeral processions that ever marched through our city followed the remains of Father Spalding to the cemetery yesterday. It was almost impossible to get within half a square of the Cathedral at 9 o'clock, while the inside was perfectly jammed with societies, orders, and citizens, irrespective of religious proclivities, many of whom were clad in the habiliments of mourning, and manifested the deepest grief at the loss of departed worth. The ceremonies were very impressive, and there was scarcely an eye in the church that was not moistened with tears, or a heart that did not ache with regret for the bereavement which all seemed to feel so deeply. Many of our business and dwelling houses were draped in all parts of the city, particularly on the line of march. There were about five hundred vehicles and about eight thousand persons in the procession, which was estimated to be about four miles long.—*Louisville Journal, 8th.*

FOR PRESIDENT,

OF NEW YORK.

FOR VICE-PRESIDENT,

OF MISSOURI.

TENNESSEE.

—Mr. Terence Cooney, an old resident of Paris, died a few days ago, aged seventy-nine years.

—The Radicals of Nashville are inciting the negroes to riot, and a conspiracy is said to exist among a few of the leaders to burn that city. The city authorities are now investigating the matter.

—At Grand Junction on the 14th inst., a grand Democratic ratification meeting and laying of the corner-stone of the Masonic Hall, will take place.

—The walls of the new Courthouse at Bolivar are nearly completed.

—The revival which has been going on at the Presbyterian Church in Bolivar for a considerable length of time, terminated last Tuesday night.

—Mose Parrish has been traveling. Hear him: "We have been to Chattanoogs, we have; and it's a nice place to go to—provided one don't care what he says! Board, $4 per day; old rookeries for hotels; troops of half-starved negro children for scavengers, and zigzag lightning for "Old Robertson."

—Capt. Henry Irwin, formerly of Jackson, in this State, and during the war an aid of his brother-in-law, Gen. Elzey, C. S. A., died recently at Norfolk, Va.

—If business men want trade from Tennessee, they had better not let their advertisements appear in Radical papers.

—The pay-train has made a trip on the Northwestern road to Hickman, and employees were made glad thereby.

—The Nashville *Republican* acknowledges it lied about a reported outrage upon a negro in Williamson county. It then says: "Wilson has not been in Williamson county for a considerable time, and is reported to have run away from there in consequence of a theft committed by him. It is not worth while to report stories of outrages without the least authority and without due investigation.

—The Knoxville *Press and Herald* says that the Cincinnati, Cumberland Gap and Charleston Railroad is now completed to Big Creek, thirty-four miles from Morristown and fifteen miles from Warm Springs, N. C., and passenger trains will run daily on and after the 10th inst.

—The following is the act recently passed by Congress changing the times of holding the United States Courts in Tennessee:

An act to change the times of holding the District and Circuit Courts of the United States in the several Districts in the State of Tennessee.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress Assembled, That the Circuit and District Courts for the Eastern District of Tennessee, shall hereafter be held at Knoxville on the second Mondays of January and July in each year; and for the District of Middle Tennessee, at Nashville, on the third Mondays of April and October of each year, and for the District of West Tennessee at Memphis, on the fourth Mondays of May and November of each year; and that all recognizances, civil and criminal, now pending or returnable in said Courts shall be entered in Court and be heard and tried according to the times of holding said Courts as herein provided. This act shall take effect from and after the first Monday in July, 1868.

The *New Record*, published at Houston, Chickasaw county, Miss., is one of the most readable and interesting of our country exchanges. It contains always some items of interest to the general reader. We clip the following from the last number:

Last Saturday, Jewette West was arrested and brought before Mayor Staggs, charged with stealing a horse from L. D. Holliman, and after trial, was committed to the county jail.

Heavy showers of rain have fallen in this county in the last ten days. The cotton in many places has been seriously injured. The small bolls are falling off, and the worm has made its appearance.

The Postmaster at Houston has received official notice from a Radical committee at Washington that he has been assessed in the sum of $5, to aid in the election of Grant, with instructions to forward without delay. We guess that George will see that committee in Hali fax before he sends that V.

We are informed that the wolves have been playing havoc with the sheep, goats and pigs on Houlka, about ten or twelve miles southeast from this place. They have killed over one hundred sheep. A party of huntemen, consisting of Ira W. Melton, B. C. Carodine, J. J. Aycock, W. B. Davidson and others, succeeded in capturing seven of the wolves.

BY TELEGRAPH.

Noon Dispatches.

PORT JARVIS, August 10.—The stock train No. 30 of the Erie railway coming east, ran off the track this afternoon, three miles west of Hancock. The engine and a number of cars went down an embankment, killing the fireman, Chas. Barber. The engineer escaped uninjured by jumping from the engine. Quite a quantity of stock was killed.

WASHINGTON, August 10.—With a view of embodying in the next annual report from the Land Office an article on the progress of population, manufactures, agriculture and commerce in this country, Commissioner Wilson addressed a circular letter to the Governors of the different States in the Union, respectfully requesting a reply to the following inquiries:

First—What was the population of your State on the 1st of July, 1868, according to the most reliable data or estimates?

Second—What was the aggregate and true value of real and personal property respectively?

Third—What amount of capital is invested in manufacturing? What species of manufactories does it represent? What is the annual value of manufactured articles?

Fourth—What is the extent of miles of the railroad system of your State finished and in progress, separately; and what amount of capital is devoted to this enterprise?

Fifth—What is the character and extent of your commercial facilities, embracing rivers, canals, railroads, etc.?

Sixth—What is the number of cities and towns in your State, and how many have a population of three thousand and over?

LONDON, August 10.—Admiral Farragut had arrived at Consantinople.

The United States steamer Franklin had stopped at Sisson to inquire into the complaint made that the Greeks had set fire to and destroyed an American ship.

THE CROPS.

—From all sections of the country, we have flattering accounts of the prospects of the growing crops. The late rains have brought out both the corn and tobacco crops. Both may be considered now as safe, and both will be unusually fine.—*Kentuckian, Paducah.*

—One more rain will make the corn in this county, and so flattering at present is the prospect for an abundant crop that we have heard it estimated that corn can be had here in plenty, at gathering time, at one dollar per barrel. The cotton and tobacco also promise well. We confidently expect to see a plethora of money in this section next fall.—*Paris (Tenn.) Intelligencer.*

—Recently heavy rains have fallen all along the Memphis and Charleston railroad, from Iuka to Chattanooga, and beyond that point. The weather remains favorable, and both cotton and corn are doing finely. Crops in the Tennessee valley, east and west of Tuscumbia, are not very promising.—*Bolivar Bulletin.*

—From all parts of this county, and generally from all over West Tennessee, we have the most cheering news of fine crops. The early corn that had suffered for want of rain in June, has come out wonderfully since the frequent rains in July; and the late corn and cotton never looked more promising. The fruit and vegetable crops are abundant. The health of the country is good.—*West Tennessee Whig.*

—Plenty of rains. Crops all growing finely.—*Banner, Athens, Ga.*

Gen. Butler's Card—A Reply from Hon. R. T. Merrick.

WHITE SULPHUR SPRINGS, WEST VIRGINIA, August 3, 1868.

To the Editor of the National Intelligencer:

My attention has been called to a card from Mr. Benjamin F. Butler, published in the Boston *Journal* under date of July 29th, in which he states, with regard to the suits of Charles W. Woolley and Kimberly Brothers, brought against him in Baltimore city, as follows: "Both suits were brought by John Surratt's attorney."

This statement is untrue. I was counsel for Surratt, and am also counsel in the case of Charles W. Woolley, but none of the attorneys of Surratt are in any way concerned in the suit of Kimberly Brothers; and Mr. Butler is sufficiently well informed in regard to both cases to have known the fact, and doubtless did know it.

The manner in which he has referred to these professional relations renders it proper that I should state certain circumstances that occurred whilst the case of Surratt was being prepared for trial. Some of the friends of Surratt, and one of the members of his family, on two or three occasions, informed Mr. Bradley and myself that it had been indicated to them that Mr. Butler would assist in the trial of the case if agreeable to us. We evaded the subject, for we desired to avoid the necessity of determining the question it presented. Some four or five weeks after these suggestions had been first made to us, and when I supposed we should hear no more of them, Mr. Bradley informed me that he had had an interview with the sister of John H. Surratt, in which she stated to him that a proposition to assist in the trial had been submitted to her by Butler, through a mutual friend—a gentleman well known in Washington city—and that she was so solicitous upon the subject, that it could be no longer evaded, and a definite answer was necessary. I replied that if compelled to give an answer, there was but one we could give; that if the friends of Surratt and the family were willing to acquiesce in Mr. Butler's desire to try the case, I would gladly retire from it in his favor, but that I could not consent to the personal and professional degradation being associated with such a man. Mr. Bradley agreed that the manner indicated was the only manner in which either of us could, with proper self-respect, treat the subject—and wrote Miss Surratt accordingly. The family of the accused and his immediate friends, acting in his behalf, refused to allow either Mr. Bradley or myself to withdraw, and Mr. Butler did not participate in the trial.

I cannot perceive what connection there is between the case of the United States against John H. Surratt and the cases of Charles W. Woolley and Kimberly Brothers against Benjamin F. Butler, which can justify a reference to the former in a card relating exclusively to the latter. But if Mr. Butler supposes that the counsel of Surratt declined being associated with him professionally, because of any personal ill-will, and are pursuing him with litigation to gratify any personal malignity, he is entirely mistaken.

We declined the association because we felt constrained to do so from a proper regard for the honor of the profession and our own self respect.

Respectfully, R. T. MERRICK.

AN affray occurred in Dallas, Polk county, Georgia, on Wednesday, which resulted in the death of a merchant of that place named Shepherd Kincannon, and wounding two other men. The difficulty arose from enmity engendered during the war.

THE NATION, anxious to excuse Thaddeus Stevens in the eyes of his party for his kicking out of Radical traces upon the greenback question, generously suggests "that his memory fails him." We shouldn't wonder. His morality failed him long ago, and the recollection of bad actions are anything but pleasant.

—Fifteen young Japanese of high rank are now educated in Massachusetts; five at the Monson Academy, and one at Amherst, under the patronage of Alpheus Hardy, of Boston.

—The President will take no action upon the internal revenue commissionership until Attorney General Evart's opinion is received upon the legal effect of Commissioner Rollin's resignation.

We beg to assure our exchanges everywhere, that our mailing clerk mails them their papers regularly, and if they do not receive them, the fault is not with us, but with the mails. CONVENTION AT BROWNSVILLE.

The Democracy in Council.

An Immense Assemblage.

Hon. J. W. Leftwich Nominated for Congress.

W. W. Vaughan, of Haywood, for Elector.

Col. F. A. Tyler called the Convention to order, and said that at the former Convention, held on the 15th July last, a quorum of delegates was not present, consequently the Convention adjourned to meet to-day. In that Convention he acted as President, and Messrs. Westbrook and Brown were elected Secretaries. The first object of the present meeting was to appoint a committee on permanent organization.

Col. Du Bose moved that the counties be called, which motion, on suggestion of Judge Scruggs, was amended so as to read, "That the Secretary of the former Convention call the delegates from each county, from a list furnished by the Secretary of each delegation." Carried.

Mr. Brown, Secretary, called the following delegates:

Gen. Chalmers moved that a committee of one from each county in the Congressional District be appointed to select and suggest to the Convention the names of permanent officers for the Convention.

The above motion was suspended until the Haywood delegation appeared in the Convention.

The Haywood delegation appearing about this time, the motion to suspend above mentioned was withdrawn by the delegate presenting the same.

Van A. W. Anderson, from Shelby, moved that the chairman of each county delegation be appointed as a committee to report an officer for permanent organization.

Col. John Donovan, of Shelby, moved to amend by making the committee consist of two from each delegation, which amendment was accepted by Mr. Anderson, and carried.

The committee was as follows:

MADISON COUNTY.

Dr. R. Fenner, Chairman; Gen. John W. Brooks.

HAYWOOD COUNTY.

F. A. Claiborne, Chairman; Thos. A. Rayner.

TIPTON COUNTY.

Major S. P. Rose, Chairman; C. H. Hill.

SHELBY COUNTY.

Gen. Albert Pike, Chairman; M. C. Gallaway.

FAYETTE COUNTY.

C. Lynn, Chairman; J. A. Manson.

HARDEMAN COUNTY.

Pitser Miller, Chairman; John Miller.

M'NAIRY COUNTY.

John McCulloch, Chairman; J. W. Pace.

At this stage of the proceedings Maj. Halsey moved that the Convention take a recess for fifteen minutes so that the Committee might have time to consult and report to the Convention. Carried.

During the recess loud calls were made for Col. J. P. Prior, of Fayette county, who appeared and addressed the Convention on the political topics of the day. He commented on the violations of the Constitution by the Radical party in power. He congratulated the people on the interest displayed by them in this canvass. It spoke well for the patriotism of the people of Tennessee. It plainly proved that there was life in the land. All Democrats must work and make every effort to influence the colored man to vote for the Conservative candidates, Seymour and Blair. We must bring all the arguments possible to bear upon this point, and by so doing we can succeed. This can be done; it was done in the State of Mississippi where the gallant Democracy changed a vote of 17,000 against them to 8500 in their favor. Those who have no vote can work and influence at least one vote to defeat Radicalism for ever. We must do all in our power to bring about this glorious result. (We merely give the points of Col. Pryor's speech.)

The time of recess having expired, the Convention was called to order by the President, the Committee of Delegates returning to report on permanent organization.

Dr. Robt. Fenner, of Madison, presented the following report as chairman of the committee:

For permanent President of the Convention—Gen. James R. Chalmers, of Shelby.

Vice Presidents—Dr. Robt. Fenner, of Madison; Col. John P. Prior, of Fayette; Pitser Miller, of Hardeman; Maj. Irving Halsey, of Shelby; J. W. Pace, of McNairy; R. F. Machlin, of Tipton; Thos. A. Rayner, of Haywood.

Secretaries—W. J. Westbrook, of Haywood; M. Parrish, of Hardeman; J. L. Brown, of Madison; A. E. Frankland, of Shelby.

The report of the committee was adopted by the Convention.

On motion, a committee of two was appointed to conduct the President elect, Gen. Chalmers, to the Chair, consisting of Dr. Robert Fenner and Col. Landon C. Haynes. Col. Haynes introduced Gen. Chalmers to the Convention as the elected President.

Gen. Chalmers, on taking the Chair, expressed his gratification at the compliment paid to him from the delegates of the 8th Congressional District in Convention. He wished to see at last the daylight breaking beneath the banners of our standard bearers, Seymour and Blair. He deeply sympathized with the wrongs of his fellow-citizens. Complete harmony is essential to our success—so is unity. Let us imitate the great New York Convention in harmony; let us go for principles, not men; let us stand on this great platform; take any man who will be satisfactory to all. We must succeed, if we work like men. The great Caucasian race has ever succeeded. Make up your minds to do so, and, God willing, you will conquer. The General concluded an eloquent speech amid the greatest applause.

Col. Haynes moved that the Vice-Presidents elect be requested to take a seat at the side of the President, on the stand. Carried.

Major Warren, of McNairy, offered a resolution that, in addition to the Secretaries already elected, the members of the Conservative Press present be requested to act as Secretaries of the Convention. Carried.

Col. Gallaway, of Shelby county, moved that a Committee of two from each county be appointed to report resolutions to the Convention.

Gen. Pike, of Shelby—The Shelby delegation has not been instructed as to selecting any platform for this Convention. We did not come here for that purpose. The New York Convention and the State Convention have adopted platforms. We need none. He moved to lay the motion as to resolutions, on the table.

Col. Gallaway—Who ever heard of a Congressional District Convention separating without passing resolutions. We wish to ratify the nomination of Seymour and Blair. All District Conventions have done this. The vote on the motion to lay on the table not being decisive, the roll of counties was called on the motion with the following result:

Madison county voted aye.

Tipton county voted no.

At this point the motion to take the vote by counties was withdrawn in order that a sergeant-at-arms might be appointed to keep order.

Van A. W. Anderson, of Shelby, moved that a sergeant-at-arms be appointed for the purpose of preparing seats in the hall for the delegates. Carried.

Mr. J. L. Branch, of Haywood county, was appointed by the President.

Gen. Pike renewed his motion, and asked that a recess of ten minutes be taken so that the Sergeant-at-arms have time to prepare seats for the delegates. Carried.

At the expiration of ten minutes, the Convention was called to order by the President, seats for the delegates having been procured.

The motion of Gen. Pike to lay on the table Col. Gallaway's motion for resolutions, was then put and the vote taken by counties as follows:

Ayes—Madison, Haywood, Tipton, Shelby, Hardeman. Nays—Fayette, McNairy.

The result was as follows: For laying the motion on the table, five; opposition, two. The motion was carried.

Col. Gallaway, of Shelby, offered the following resolution for the consideration of the house:

Resolved, That if the freedmen of this State unite with the Democracy, and by their votes secure the enfranchisement of the white men that are now disfranchised, that common justice and common gratitude demand that we should not disturb them in any of the rights they may now possess.

Col. Gallaway supported this resolution by an appeal to the Convention to do justice and display magnanimity. If this is done the negro will have some assurance that if they free us their present rights and privileges will be maintained. We are opposed to negro supremacy, but are in favor of equality.

Gen. Pike, of Shelby, did not propose to discuss this matter at present. He moved to lay it on the table until the vote of the counties comprising the Convention be arranged.

Col. Pryor, of Fayette, moved that the counties have the following number of votes in the Convention:

Shelby, 10 votes; Fayette, 5; Hardeman, 4; McNairy, 4; Madison, 5; Tipton, 4; Haywood, 4.

This motion was carried.

Col. John Donovan moved that a committee on credentials be appointed.

Withdrawn.

Gen. Pike withdrew the motion to lay on the table the motion for resolutions for the present.

It was moved that the vote on this motion be laid over informally.

Carried.

Col. Haynes moved that the Convention go into the nomination for a candidate for Congress.

Carried unanimously.

Chas. Lynn, of Fayette, nominated Dr. J. W. Leftwich.

Col. DuBose, of Shelby, nominated Mr. H. M. Loewenstine.

Van A. W. Anderson, of Shelby, moved that any member of this Convention may nominate any person he sees fit so to nominate. Motion defeated.

Col. Claiborne, of Haywood, nominated Mr. W. W. Claiborne. A delegate from McNairy nominated Mr. J. F. Huddleson. A delegate from Madison nominated Mr. Thomas H. Newbern.

On motion, it was decided that each delegate could nominate through the chairman of the delegation, but not otherwise.

The Chairman of the delegation from Hardeman nominated John W. Leftwich, of Shelby. Gen. Pike nominated H. M. Loewenstine, John W. Leftwich, Edwin M. Yerger, and T. B. Micou, by request of the delegation from Shelby. Mr. Claiborne, of Haywood, nominated Lewis Bond. The Chairman of Fayette delegation nominated H. M. Briggs.

The vote was then taken, as follows: Madison county gave Dr. Newbern five votes. Haywood county gave W. W. Vaughan four. Shelby county delegation, by consent of the Convention, retired to consult.

In the meantime, Col. Lea, of Haywood county, moved that a majority of the votes cast shall be sufficient to elect a candidate, and that it be agreed upon as the basis of the voting.

Col. Pitser Miller, of Hardeman, moved that the two-thirds rule be adopted.

Col. Gallaway, of Shelby, was in favor of the two thirds rule. No man ought to be nominated unless he could secure that vote.

The vote was called for by the President, but could not be decided.

A motion was made to call the vote by counties. Carried.

The Shelby delegation retired to consult.

The vote was as follows on the majority rule: Ayes—Madison, 5; Haywood, 4; Tipton, 4; Hardeman, 4; McNairy, 4—Total, 21. Nays—Shelby, 10; Fayette, 5—Total, 15.

The majority rule was carried and adopted.

The vote was then taken on the candidates for Congress as follows: Haywood—W. W. Vaughan, 4; Madison—Dr. Thos. Newbern, 5; Tipton—Leftwich, 4; Shelby—Losftwich, 4½; Shelby—Loewenstine, 5½; Fayette—Leftwich, 5; Hardeman—Leftwich, 4; McNairy—J. F. Huddleson, 4.

The McNairy delegation withdrew Mr. Huddleson's name and voted for John W. Leftwich.

The delegation from Madison county withdrew the name of Dr. Newbern and voted for John W. Leftwich.

The Shelby delegation returned and voted as above. The result was as follows: John W. Leftwich, 26½; W. W. Vaughan, 4; H. M. Loewenstine, 5½. Necessary to a choice 19.

The President announced that John W. Leftwich was nominated.

It was moved by Shelby, and seconded by Madison county, through their Chairman, that the nomination be made unanimous. Carried.

Col. Wood moved that one member from each county be appointed as a committee to notify, by letter, Dr. John W. Leftwich of his nomination. Carried.

The following Committee was appointed: Madison, F. Swipes; Haywood, Col. John Porter; Tipton, Fred. Machlin; Shelby, R. D. Baugh; Fayette, G. M. Whitthorne; Hardeman, Alex. Ramsey; McNairy, W. McCulloch.

It was moved and seconded that an Elector for the District be nominated. Carried.

Col. Gallaway moved that W. W. Vaughan be nominated as Elector. He was nominated by acclamation.

Van A. W. Anderson moved that the vote be taken by counties. Withdrawn.

Gen. Pike called up the resolution offered by Col. Gallaway. He had concluded to offer no objection at present, but no human being could bind him to universal suffrage. He entered his protest against it, but would offer no objection.

The resolution was then read as published above.

Col. DuBose claimed the floor and should vote against the resolution, and would not be bound by it.

A delegate from Haywood moved to adjourn. The vote was taken as follows: Nays—Madison, Tipton, Shelby, Fayette, Hardeman and McNairy.

No vote—Haywood.

The motion was lost.

Van A. W. Anderson, of Shelby, wished the sense of the Democracy on the question as to whether we shall use the power placed within our reach to control the negro vote.

The previous question was called, on which the vote was taken:

Ayes—Madison, Tipton, Fayette, McNairy and Shelby.

No vote—Haywood.

The previous question was carried.

The resolutions were then called up, and the following vote taken:

Haywood delegation retired for consultation.

Madison, aye; Haywood, —; Tipton, aye; McNairy, aye; Fayette, aye; Shelby, aye.

Col. Wood moved that a committee of three be appointed to notify, by letter, Mr. Vaughan of his appointment as Elector. Carried.

Van A. W. Anderson moved that the Convention adopt the New York National Platform and accept the nomination of Seymour and Blair. Carried.

Moved by a delegate that a recess of ten minutes be taken to give time to the Shelby and Haywood county delegations for consultation.

During recess, Gen. Chalmers, in response to a general call, addressed the Convention. He admonished them that they had assembled to perform a great work—the redemption of our State from despotism. He desired to speak words of cheer. The great demonstration in New York is but echoed here to-day. At that Convention delegates from every State met as brothers. In that Convention men talked better for us than we talked for ourselves. The men of the North met Forrest, shook hands with Forrest and Hampton, claiming them as brothers. I heard Frank Blair say he would like to see a man who did not honor a country that produced a Lee and Jackson. We also met the soldiers and sailors who fought against us. They said that if this contest had been left to them it could and would be settled at once. In old times the Whigs carried the country by storm with log cabins and coon-skins. The Democracy swept the Whigs from the field in after days. The fact is, all parties went down before the war. We are all clasping hands now, ready to work for our common country; we loved the old Constitution; we carried it through the war as the children of Israel carried the ark, in safety; when we went out of the Union the Northern Democracy fought against us—they now go with us against the party working outside of the Constitution; the only hope for Radical salvation is in creating a war; they took up Grant for his military reputation; Grant talks of war—he says, "Let us have peace!" as if war existed; Colfax likewise says, "The war must stop;" in this whole country, where is the war? It does not exist.

At this point the delegations returned, the delegation from Shelby voting "yes" on the motion of Mr. Van Anderson above mentioned.

The President appointed as a committee to wait on Mr. Vaughan and notify him of his nomination, Messrs. J. F. Wood, Col. L. C. Haynes and C. Miller.

Col. Haynes wished the Convention to declare itself in favor of the late peace movement and indorse the action of the Confederate Generals at Nashville in the recent conference.

Col. Gallaway offered the following resolutions, which were carried unanimously:

Resolved, That the administration of our State affairs under Radical fanaticism has been characterized by a spirit of cruelty, injustice and oppression unworthy of a great people; that the dominant party has squandered the money of the State, created an immense debt, filled our statute books with crude and impracticable legislation, wasted our resources and neglected the highest interests of the people, and that we can never hope for peace and prosperity so long as this unscrupulous party retains power.

Resolved, That we approve the action of Gen. A. S. Forrest and other Confederate Generals, who, at Nashville, pledged the people to peace, and endeavored to prevent the threatened action of the Legislature in organizing a State militia.

Resolved, That we regard it as important for us to avoid a collision in this State, since it is more important for the Radicals to produce it, and who are endeavoring to bring it about; that we earnestly counsel peace and endurance, but in the event forbearance ceases to be a virtue, and we are forced to self defense as the last alternative, our operations against the negro will be defensive—against the white Radicals who have produced the struggle they will be fierce, full of bitterness and vengeance.

Gen. Forrest was invited to address the Convention, which he did in his forcible manner. He explained his visit to Nashville, and the acts of the peace conference. Gov. Brownlow has issued his proclamation—a declaration of war. He declares the Kuklux outlaws, and believes all Confederate soldiers belong to the organization, so when the militia is organized, with instructions to shoot down all persons suspected of being Kuklux, they will attempt to shoot all Confederates. This must not be permitted, and will not be. When the militia commence to do this there will be shooting from the other side. The General wished to be excused from making a speech. He felt unwell, and would speak to them some other time. He concluded amid loud cheers that continued for several minutes.

A delegate moved to adjourn *sine die*, which was carried.

After the Convention had adjourned, Gen. Forrest addressed an immense crowd outside of the Courthouse.

The colored orator, John L. Harris made an effective speech to a large number of negroes, handling the carpet-baggers and scalawags without gloves.

Dr. Leftwich made an elaborate speech expressing his thanks for the honor conferred on him by the Convention.

Col. Haynes, Orville Yerger, Esq., and Col. T. W. Brown remained in Brownsville to address the Democratic Club of that place last night.

BOSTON.

BOSTON, August 10.—Mr. Motley, late Minister to Austria, has declined an invitation to a public reception extended to him by Gov. Bullock, Mayor Stuthll, of Boston, and many other prominent citizens.

Rev. Jos. C. Lovejoy, a well known Democratic orator, assaulted George Fisher, editor of the Cambridge *Chronicle*, this morning, in consequence of failing to extort an immediate apology for some sarcastic comments on one of Lovejoy's speeches. But three or four blows were struck, as Fisher made no resistance and retreated as soon as possible.

Ben Butler was thrown from his carriage, near Gloucester, last evening and severely bruised.

In a great row yesterday between a party of Germans and Irish, a man named Spay was fatally stabbed. A number of arrests were made.

NEW YORK.

NEW YORK, August 10.—A list of officers and crew of bark Henry Trowbridge, all of whom were lost, shows that all of them, save the captain, were from New York, the captain being a native of Paris, Tenn.

Dispatches received announce another horrible colliery explosion at Jernonopes, in Belgium. Fifty-one persons killed and a great number injured.

The thunder-storm of Saturday was very severe on the Jersey side of Hudson river. Hudson City was badly flooded and one new building demolished by lightning. Several houses were struck in Newark, Hoboken, etc. No lives lost, however.

A special from Virginia City, Montana, to the *World* says that the State government is Democratic by a largely increased majority.

Secretary Welles arrived here on the gunboat Tallapoosa. He was received with customary honors at the navy yard and left this evening for Boston and Portsmouth.

A cattle disease is prevailing here and elsewhere East. Deaths are numerous.

WASHINGTON.

WASHINGTON, August 10.—By direction of the President, Brevet Maj.-Gen. Wm. L. Harney, retired, will report in person for duty to Gen. Sherman at St. Louis.

Information received at headquarters from Grant, says that he will leave Galena for the East on or about the 15th.

Gen. Meade, recently appointed to the command of the Department of the South, in his order assuming command, states that the disposition of troops in North and South Carolina will remain for the present as now ordered, and the commanding officers of posts will report direct to these headquarters. The department staff will for the present be the same as the staff of the late Third Military District. All general staff officers and others on staff duties not especially assigned by the war department will report by letter to these headquarters through their respective chiefs of staff.

General Order No. 1, from the Department of Louisiana, dated New Orleans, 4th inst., has been issued by Gen. Buchanan, announcing the command of the Fifth Military District, to consist of the State of Texas, transferred to Brevet Maj.-Gen. J. J. Reynolds. Louisiana and Arkansas, in pursuance of orders from army headquarters, are organized into the Department of Louisiana, headquarters at New Orleans. The sub district of Arkansas, until further order, will be known as the District of Arkansas, and will be commanded by the senior officer serving therein, headquarters at Little Rock. The Commanding General will immediately make the necessary returns of troops serving in his district to headquarters of the Department of Louisiana.

The commissioners of the Union Pacific railroad have examined the twenty-fourth section of twenty miles of that road, commencing at the 680th and terminating at the 700th mile post west from Omaha, and forwarded their report to the Interior Department. The President has approved the report and directed an issue to the Company of bonds and patents for the land due on the completion of said section.

The following is a copy of instructions sent to Maj. Gen. Buchanan, commanding the Department of Louisiana:

General: The following instructions from the Secretary of War are furnished for your government, to the end that the necessary aid may be rendered by the United States as promptly as possible in any case of insurrection or domestic violence in the States embraced in your Military Department. You will keep yourself informed of the condition of affairs in said States, and communicate promptly by telegraph to the War Department through the Army Headquarters, any facts which may make it the duty of the President, under the Constitution and laws, to employ the military force of the United States. You will, also, maintain such disposition of troops under your command that they may be ready to act without delay on receipt of the President's order; stationing them at, or from time to time moving them to, points where you may have reason to apprehend necessity for their use. The following extracts from the laws and the Constitution of the United States may be used to suppress insurrection against the Government of any State: Constitution, Art. 4, Sec. 4.—The United States shall guarantee to every State in the Union a republican form of government, and shall protect each of them against invasion, and on application of the Legislature, or of the Executive when the Legislature cannot be convened, against domestic violence. Act of Congress approved 28th of February, 795: Section 1. In case of an insurrection in any State against the Government thereof, it shall be lawful for the President of the United States, on application of said State, or of the Executive when the Legislature cannot be convened, to call for such number of the militia of such State, or any other State, as he may judge sufficient to suppress such insurrection, Provided, as per section three, that whenever it may be necessary to call out such force, the President shall, by proclamation, first command such insurgents to disperse and retire peaceably to their homes within a limited time. Act of Congress approved March 3, 1807: In all cases of insurrection or obstruction of the laws, either by the United States, or of any individual, State or territory where it is lawful for the President to call for the militia to suppress such insurrection. It shall also be lawful for him to employ such part of the land and naval forces as may be judged necessary, having first to observe all the requisites in that respect.

By command of Gen. Grant.

E. D. TOWNSEND, A. A. G.

A committee from the Journeymen Tailors International Union Convention, which is now in session in this city, waited on the President and arranged for the reception of the entire Convention at the Executive Mansion on Wednesday.

SARATOGA.

SARATOGA, August 10.—The first race was for sequel stakes, $50 entrance, $750 added; two miles for three year olds. The following horses started: Gen. Duke, Pennock's b. f. by Colossor, Albura and Boaster. The latter pulled up on last quarter; Albura took the lead to the quarter pole; Boaster went to the front at the half mile; Gen. Duke went around the stretch with Boaster and entering the second mile took the lead, Colossor filley being in second place in the last half mile, and making a good second; Albura was bad third. Track fair; weather beautiful. Time first mile, 1:50; second mile, 1:50½. Betting just previous to the race was five to two on Gen. Duke against the field.

The second race was for $400; mile heats, for beaten horses of all ages. The following is the summary: Villey, 3, 1, 1; Gilroy, 2, 2, 2; Morrissey 1, and distanced. Time, 1:45; 1:48; 1:47½.

There was heavy betting, and large amounts were staked on Gilroy against the field at three to two. Gilroy carried twenty-eight pounds over Villey.

The third race for a purse of $500—dash of three quarters of a mile for two years old—the winner of Saratoga stake to carry five pounds, extra—was won by Alta Vela in 1:19½, beating Bonnie Lassie second, Cameron's Invercould third, Invernglas fourth. Pools stood: Alta Vela, $4 50; Bonnie Lassie, $4; Invercould and Invernglas, $1 00 each; Morris' Eclipse, $2. The start was bad.

The great hurdle, the four mile dash, and the one and a half mile dash will take place to-morrow, which is the last day of the season.

CITY MATTERS.

THE members of the Fourth Ward Glee Club are requested to meet at Stillman Hall this evening.

IN THE Criminal Court, the case of Angelo Marre was yesterday continued by consent until the next term of court.

THE Second district was unusually virtuous and quiet yesterday—not a single arrest having been made up to 8 o'clock p.m.

THE CRIMINAL COURT will take up the calendar in regular order to-day. Persons interested will take notice, and govern themselves accordingly.

FITZGERALD, accused of shooting Kinna a few days ago, was brought before Judge Hunter yesterday, and the case continued till to-day.

THE "FUR, FIN AND FEATHER" CLUB hold their regular semi-monthly meeting this evening at 312 Main street, corner of Monroe. Sharp 8 is the hour.

MR. SEYMOUR'S LETTER.—We publish to-day the correct text of Mr. Seymour's letter of acceptance—there having been several errors in the one first given to the public.

PERSONAL.—We had the pleasure of meeting last evening D. Webster, Esq., the New Orleans manager of R. G. Dun & Co.'s commercial agency. He is stopping at the Overton.

THE PARK yesterday evening was full of ladies and children, who were enjoying the delicious evening air under the shade of the trees, whose green leaves have acquired a new lease of summer life by the late refreshing showers.

GREAT Bankrupt Auction Sale of P. I. Huette & Co., bankrupts, at 10 o'clock to-day. Store No. 195 Main street. Glassware, Drugs, Fancy Articles, etc. Sale to continue from day to day until the entire stock is sold.

NEEDED, A WORKHOUSE!—There are already over fifty prisoners in the Adams street station again. It has only been ten days since Col. Beaumont was compelled to turn about a hundred and fifty loose on the streets. We must have a workhouse.

OUR thanks are due to R. W. Gillespie, Esq., passenger agent of the Atlantic and Great Western railroad, for late New Orleans and Texas papers.

Felix Cross, as usual, also brought us his bundle of late papers, for which he has our chronic thanks.

FINANCIAL COMMITTEE.—The following is the Financial Committee of the Colored Democratic Club of Shelby county, located in the Fourth Ward: Reuben Alexander, President; Edward Penn, Vice President; William Foster, William Demoss, Nicholas Alexander.

THAT BLESSED BABY.—"Mudder's little d a-a-a-r-lin" had the "nassy ole tummic ache" again last night, and all hands, editors and printers, had the benefit of several hours duration of most magnificent and diabolical howling. It cries the same old tune every night.

A GOOD MOVE.—We have been informed that Mr. G. W. Montague will give an entertainment, of a dramatic nature, on Friday night, at the Memphis Club Hall, the proceeds of which will be devoted to forwarding Democratic interests among the colored people in this city and vicinity. We will give due notice of the caste, etc., when determined upon.

DANGEROUS.—We are informed that a lady living on Poplar street, night before last, in filling her coal oil lamps ran short of oil and used water, as is frequently done with lard and sperm oil, to fill up with—thinking that coal oil would work in the same manner. The lamp was lit, and burned for a few minutes brightly, but all at once exploded. We have heard of several similar cases—the result of using water with the kerosene invariably being an explosion. Housewives should remember this fact and be very careful.

FIREMEN'S RELIEF ASSOCIATION.—At a meeting held yesterday at the engine house, on the corner of Second and Adams streets, a Firemen's Relief Association was formed, with the following list of officers: President, Capt. W. Kehoe; Vice President, J. E. Clary; John Glancy, Secretary; and Dennis Ryan, Treasurer. A visiting committee was appointed, to consist of Capts. J. J. Reed, [illegible] Madden and J. V. Sigmigo. The [illegible] Society is to be Memphis Fire and Relief Association.

WE take pleasure in welcoming to the great brotherhood of the press, the daily *Commercial Advertiser*, published at Alexandria, Va., the first number of the first volume of which is now before us. It is a handsome little sheet, neatly printed and well edited, and thoroughly *white* in its politics, and dignified in its tone. It is published and edited by Messrs. A. J. Wedderburn & Co., who, for the past year, have issued the weekly *Advertiser*. We cordially wish them success in their enterprise.

THE RAMIE PLANT.—We received yesterday, from New Orleans, a specimen of this new fiber, grown this year, near New Orleans. Words are inadequate to express our admiration of its beauty. It is white as the driven snow, almost as fine as silk in texture, and has a brilliancy and glossiness even superior to silk. Mr. Bruckner, who introduced the Ramie into America, has promised to send us some new circulars, containing valuable information, in regard to its culture and preparation, which we will present to our readers at an early day. The specimen is at our editorial rooms, and we will be happy to show it to any one who feels curious to see it.

WE call attention of parents to Mr. Ward's first-class Seminary for Young Ladies at Nashville, which, in addition to its former advantages, now controls the complete apparatus of the University of Nashville. au9 4t

STEAMBOATMEN'S CLUB.

Meeting Last Night—Committee Appointed.

The regular meeting of the above club came off last night at Stillman Hall. Capt. Ad Storm was temporary chairman. The minutes of the last meeting were read and approved, when, upon motion, a new Committee on Finance was appointed and the old committee relieved. The chair appointed the following gentlemen: Messrs. Hukill, Dill and Sayers. Upon motion, the chairman was added to the committee.

A new Committee of one on Hall was also appointed, Mr. M. W. Kenny.

The old Committee on Speakers not having made a report were relieved, and and upon motion, a new one was appointed consisting of Messrs. Dill, Patterson and English.

Upon motion, a tax of fifty cents per month was levied upon each member of the club.

Able speeches were made by Judge G. P. Foute and Capt. Geo. Mellersh. Judge Foute made a feeling allusion to the heroic Johnny Trice, whose gallantry and self sacrifice in giving up his life on the ill-fated Caroline is yet fresh in the minds of our readers.

After debate on the subject of a display worthy of the club to come off at some future time, and the enrolling of new members, the club adjourned to meet on Monday night next.

CORRESPONDENCE.

A Fine Literary Treat in Prospect.

Our readers will be pleased to learn from the subjoined that a literary treat of no ordinary character is promised them:

MEMPHIS, August 8, 1868.

Rev. James W. Rogers,

Dear Sir: Knowing with what delight this community, with which you are so peculiarly popular, would listen to a lecture from you upon your protracted European tour, we, your warm personal friends, most earnestly ask this favor at your hands, believing that you would derive profit, so much to be desired after your heavy outlay, and we infinite pleasure, delight and instruction by your compliance.

Most respectfully,

Albert Pike,	R. C. Wintersmith,
Lanson C. Haynes,	M. C. Gallaway,
John Pitman, M. D.	S. M. Yerger,

MEMPHIS, August 8, 1868.

General Albert Pike, Major R. C. Wintersmith, Col. Landon C. Haynes, Col. M. C. Gallaway and others:

Gentlemen: Please accept my grateful acknowledgements for your polite favor of this date, and allow me, instead of a lecture, to recite a poem descriptive of some of my travels in Europe, which I wrote, for the most part, in Ireland and on the coast of France, where the Alabama went down—this being an offering to the white slaves of the Confederacy and "our glorious dead"—would be more acceptable, I think, to the public than one of my dull lectures.

Very gratefully and respectfully, your obedient servant, J. W. ROGERS.

DEATH OF MANAGER THOMPSON. We were pained to learn yesterday of the death of W. C. Thompson, Esq., late manager of the New Memphis Theater, which took place at his residence in this city at half past eleven yesterday morning. We understand that his disease was a chronic complaint of the bowels, and that his last illness was a very painful one. The *Evening Ledger* says very truly of him:

He was a kind husband, a gentle father, and a friend to the needy. In his charitable transactions he was very liberal, giving with a free hand to all who applied to him for assistance. As a theatrical manager he was highly successful in procuring for our people a great variety of dramatic entertainments of a high order.

* * * * *

By both actors and actresses he was much esteemed and respected, and by the host of supernumeraries who found employment about the theater he will be greatly missed, for he was kind and courteous to all. Verily they may never look upon his like again."

His funeral takes place this afternoon at 4 o'clock, from St. Lazarus church.

THE MISSISSIPPI VALLEY NAVIGATION COMPANY.

Capt. DeHaven, after years of unremitting toil and perseverance, is at last about to see his efforts crowned with success. It is with no ordinary pleasure that we are able to make this announcement—for aside from an ardent desire for the success of every scheme which tends to the advancement of our race and people—whether in commerce, agriculture, mechanics or art, our personal regard for Capt. DeHaven, and admiration for his indomitable will and energy, causes us to rejoice at his success, which we think is assured. As noticed in our issue of yesterday, Capt. DeHaven was in our city. He has furnished us with much valuable information concerning the prospects of a speedy completion of his boat, and of the action of the late meeting of the Board of Directors in New Orleans. The contract for building the first boat was given out in Louisville and Jeffersonville some three months ago. The contractors bound themselves to finish it in eight months from the signing of the papers—so the new vessel will be in the water in less than five months. Over $300,000 have been subscribed, and the first call for ten per cent. is now being paid in. The next call will probably be on the first of next month.

At the meeting on the 3d inst. the following resolution was unanimously adopted:

Resolved, That the domicile of this company be removed to Louisville, Ky., and that the consent of three-fourths of the stockholders be obtained thereto, in accordance with the terms of the charter.

The offer was made to Memphis to secure to herself the advantages of being the headquarters of this great enterprise which is to revolutionize inland navigation, but with the accustomed apathy and blindness of our city, she allowed the chance to pass by without so much as even an exertion to retain it within her grasp.

Just as Capt. DeHaven was leaving New Orleans, the following card was handed him. We see that it has since been published in the New Orleans papers:

NEW ORLEANS, August 6, 1868.

We, the undersigned citizens and merchants of the city of New Orleans take great pleasure in indorsing Capt. D. DeHaven and also his great steamboat enterprise. It affords us much pleasure to recommend him to the public at large, to be in every way worthy of their support and confidence.

We have not space to give the names signed thereto, but there are over two hundred of the most prominent men in the city, including Geo. A. Fosdick, President Chamber of Commerce; J. O Nixon, of the *Crescent*; M. F. Bigney, of the *Times*; John Hancock, Collector of Internal Revenue; Arthur C. Waugh, and others, whose names are known throughout the Union as sterling men.

The following were elected officers at the same meeting:

President—J. E. Montgomery.
Vice President—Geo. A. Fosdick.
Treasurer—James Bridgeford.
Secretary—Newton S. Otis.
Superintendent—D. DeHaven.

All communications should be addressed to Newton S. Otis, at his office in Memphis, where the subscription books are now open.

A CUTTING SCRAPE occurred across Wolf river yesterday, in which one man was severely, if not mortally, wounded. A warrant was issued for the arrest of the man who did the cutting, but up to midnight no return had been made.

SHOOTING WITH INTENT TO KILL. Carrol Carr shot Joe. Vandyke with a shotgun loaded with small shot, yesterday. The wounds were about the legs, and are not serious. Carr and two men named J. Walker and P. Evans were arrested; Carr for committing an assault with intent to kill, and the two latter as accessories. The case will be heard before 'Squire Kiernan to-day.

MEMPHIS, TENN., July 20, 1868.

Messrs. W. B. Wiggs & Co.:

Gentlemen: For several years I was troubled more or less with Piles, for which complaint I was treated by the best physicians to no purpose; indeed, I gradually became worse, until at last I began to despair of relief from any source. While in this condition I was recommended to try your Buckeye Salve. Making up my mind to try it, I am now happy to say that it had the desired effect, as I am now well and hearty, for which I am indebted to your wonderful remedy.
Yours, truly,
F. L. WARNER.

Upon receipt of $1 00 a bottle of this Salve will be mailed, free of postage.

FINANCIAL AND COMMERCIAL.

OFFICE OF THE DAILY APPEAL,
MEMPHIS, August 11, 1868.

Business, we are happy to be able to record, is improving. A very marked increase of activity is plainly to be seen upon our prominent business streets, and if the current of affairs which is now setting in is not obstructed by the hasty and imprudent action of the Legislature and Governor in calling out troops to trample upon the rights of our already heavily oppressed people, we may reasonably hope for a prosperous season's trade. Several new houses have opened, or are about doing so, who hope to share with older ones a portion of the labors as well as profits of the coming year. The cards of several will be found in our columns to-day, and in all cases we feel warranted in commending them to the public confidence. It will be noticed that the names of all are familiar to most of our readers, being generally members of old and reliable firms, who have commenced business upon their own account exclusively, or have formed new partnerships. The era of scalawag business houses has ended in Memphis, and the time has at last come when none but responsible parties need expect to have the confidence of our planters. For three years these vampires have succeeded in pulling the wool over the eyes of the shipper, both in the interior of this country and in the North, and only after repeated losses have the sufferers found out that the consignee was, in the generality of cases, utterly devoid of every principle which should govern the merchant and the gentleman. These mercantile carpet-baggers followed and lasted nearly as long as the war held its red hand over us, and have only disappeared as a kind of advance guard of that other army of political scalawags who will take their exit in November next.

Outside the usual routine of depositing and checking, our banks are, we may say, doing but little. The demand for exchange from such of our merchants as are about to start North, as well as those who have been liberal purchasers of meats, etc., in the Western markets, is quite active, while there is none making and currency is being drawn from us to meet drafts almost daily. A liberal line of discounts has also been adopted, in order to enable the merchant to assist the planter as far as possible. Good paper or collaterals are rarely refused at any of our regular banking houses, and rates are much the same as our last. All exchange offered is taken at par to ¼ premium, and sold at ¼@⅜ premium.

Gold has been excited during the week and went up as high as 150c on Thursday, but again declined, opening to-day at 146¼c and closing at 146⅜c in New York. The excitement is attributed altogether to a bull movement in New York, and has no foundation outside of Wall street. Several failures are anticipated among the "shorts," as the friends of the bull movement are very strong in money, and are evidently using every effort to ruin the uncovered "short" interest. Our dealers keep up a respectable margin on Eastern quotations, buying at 144@145c and selling at 145@146c.

Buyers and sellers of Memphis and Charleston stock are still wide apart in their views. There are plenty of the former at 62@63c, and plenty of the latter at 55c, but as neither give way, we have no sales to report. There is some movement in Mississippi Central, but holders are firm; $4000 2d mortgage bonds were offered to-day, but the holder was over the market on them, and at noon they were unsold. City bonds are very weak, and we fear are destined to go below, owing to the threatened militia law. Several parties sold to-day. We quote among the sales lots of $10,000, $3000 and $1000 at 50; $5000 on private terms, and a few small lots at 50@51c.

City Scrip is dull. Brokers buy at 75@78c. Selling at 75@78c. The offerings are rather in excess of the demand, but holders are not disposed to sell at the inside figure, and we think they are right, as the small amount of Scrip now afloat will soon be absorbed, and prices will run up at no distant day.

County Warrants are very quiet. Brokers buy at 50@52c. Selling at 55c.

Police Scrip is in good demand, and is advancing. Brokers buy at 73@75c. Selling at 78@80c.

The New York stock exchange quotations at noon to-day were as follows: Coupons of '81, 15; do '62, 14¼; do '64, 11; do '65, 12½; do new issue, 8½; do '67, 9½; 10-40s coupons, 9¾; Government bonds have advanced; old Tennessees, 63¾; new do, 63½.

Abe Gilmore, who sent the first bale of cotton of this year's crop to market, is a negro, living near Galveston, Texas. He was presented with a handsome silver pitcher and goblets.

There has been some irregularity in cotton during the week, both in Liverpool and New York. The former market opened with Uplands heavy at 9¼, while in the latter market Middlings were dull at 30c. A decline set in on Wednesday, and a feeling of weakness pervaded all the markets, causing Uplands to decline ⅛d in Liverpool, and in New York 29c was the outside quotations on Middlings. A reaction took place on Saturday—Uplands in Liverpool advancing to 9¼d, but Middlings in New York only became firmer, no higher. To-day the former market was advancing at the opening, with Uplands 9¼d. At noon it had gone up another ⅛d, and closed with quotations nominally unchanged; sales 15,000 bales. There was but a moderate demand at firm prices this morning in New York, but holders soon asked higher prices and were very firm at 29¾c for Middlings. At the close it was quiet but firm at unchanged quotations.

We have no stock to mention, and outside the sale to-day of 1 bale Low Middling at 27½c and 5 bales Good Ordinary to Low Middlings at 25c, there was nothing done. It is doubtful whether there is as much more in the city for sale. The "First bale" is now the absorbing question. Some of our houses offer a premium to the shipper who sends in the wished for article, and it would not astonish us to see it claimed before our next weekly issue goes to press.

Sales in Liverpool for the week ending Friday last, 68,000 bales. Stock on hand at that date, 581,000 bales, of which 269,000 were American. Stock afloat, 703,000, of which 8000 were American. Shipments from Bombay to the 4th inst., 36,000 bales.

Wholesale Market.

In the dry goods and boot and shoe markets there has been a very fair share of activity during the week, and prices have been unchanged. There is no abatement from the firmness which characterized last week's market. Staple dry goods suitable for the fall trade are in demand and country buyers have about concluded that this is the best time to replenish their stocks, while shoe dealers report an equally good inquiry for fall wear in their line.

MISCELLANEOUS.

We had a long array of boats at the landing yesterday, and affairs in that locality were more animated than for some days past.

The St. Francis river packet Mollie Hambleton, Capt. Tom Bowman, leaves to-day at 5 p.m. as above. She makes all way landings. Paine, Clark and Snell are her clerks.

The Natoma had a good trip for Napoleon and way points.

The Belle Memphis had a good trip of people but light freight for St. Louis.

The Mary Forsyth, Capt. Alex. Zeigler, made her debut as a Memphis packet last evening. She will leave at 5 p.m. to-day for Cairo and St. Louis.

We have been called upon by Capt. Crane, of the Belle Memphis, in reference to a letter which appeared in a contemporary relative to the officers of the City of Cairo. We knew Capt. Crane too well to think that any act of inhumanity could emanate from him. The party who it was claimed was put off at Cape Girardeau did not express a wish to come to Memphis, but paid his fare to the Cape, where he alleged he had friends who would assist him. Capt. Crane states in reference to Capt. Worman that he did not know that he was not a cabin passenger until some time after le

Pratt's Southern Made Cotton Gin

THIS GIN is regarded by planters who have used it, as the best for sample, picking the seed clean and light draught. Planters cultivating bottom lands are requested to examine the Eureka Gin at Farrington & Howell's, 268 Front street. It will pay for itself in ginning fifty bales. A. N. Gunnilson, manufacturer of the Steel Comb Gin before the war but now a planter, gives the following certificate:

"MEMPHIS, TENN., January 31, 1868.

"I take pleasure in recommending to planters cultivating Cotton on bottom lands of the Mississippi, Arkansas, White and St. Francis rivers, the Eureka Gin, made by Daniel Pratt, of Alabama. This Gin separates the boils, bolls, etc., from the Seed Cotton, makes a good sample, and is superior to any other Gin for bottom lands. I have used one myself on a farm in Washington county, Miss., and it operates well and gives entire satisfaction in every respect. A. N. GUNNISON."

Orders for Gins, from 40 to 80 Saws and Gum Belting, at Factory Prices, addressed to the care of FARRINGTON & HOWELL, 268 Front street, Memphis, promptly filled. Repairs and Gearing put up, and Gins repaired by a skillful Ginwright. G. W. TRUHEART,

BUCKEYE SALVE

—FOR THE—

CURE OF EVERY FORM

—OF—

HEMORRHOIDS OR PILES

WHETHER OF LONG STANDING OR RECENT origin, internal or external, whether attended with Prolapsus, Hemorrhage or obstruction, and all by

External Application,

No internal adjuvants being required in any case, only to regulate the bowels, if constipated, or in Diarrhœa and Dysentery.

The PILES, while astonishingly prevalent in their various forms amongst all classes of both sexes, are, at the same time, the most distressing, frequently dangerous, and hitherto most difficult of cure.

Persons who suffer any length of time with the Piles generally try everything they can learn of purporting to cure the disease, yet realize no permanent advantage therefrom. They have been told professionally, perhaps, there was "no permanent cure for Piles," and consequently have despaired of any future cessation from pain and suffering.

To all such a SPECIFIC is offered for their relief. The

BUCKEYE SALVE

Is a strictly scientific combination of well known remedial agents, and the proprietors have no hesitation in saying the BUCKEYE SALVE is the

ONLY INFALLIBLE SPECIFIC

Ever discovered for that disease, and which cures by outward application only, and that in time for a perfect cure, as in the past, it will stand the test of trial without a failure, to perform all the proprietors claim for it, if the directions are attended to.

A large number of gentlemen throughout the country of high character and influence have voluntarily attested to its efficacy in their own cases, not from interest, and whose certificates may be seen by reference to the publications.

The proprietors will forward to any address one bottle, post paid, on receipt of the retail price, $1 00 per bottle.

A Liberal Discount to Druggists and Dealers in Medicine.

This Salve will keep in any climate for years without injury.

Chancery Sale

—OF THE—

OVERTON HOTEL.

PURSUANT to a decree of the Chancery Court of Memphis, entered on the 28th day of February, 1868, for the sum of $58,766 16½, against J. M. Keating, B. B. Waddell and Coleman Boyd, we, the undersigned, Trustees and Commissioners of the said Court, will,

On the 10th Day of October Next,

Between the hours of 10 o'clock and 4, in front of the said Hotel, proceed to sell, to the highest bidder, on a credit of six and twelve months, the said Memphis Overton Hotel and the land on which the same stands, fronting 140 feet on Main street, and running back 208 feet, being lots, on the plan of the city of Memphis, town-wit: 127, 128, 129, 130, 131, 132, situate on the northwest corner of Main and Poplar streets in the city of Memphis, and embracing the block bounded by said Poplar and Main streets and Center alley, and an alley bounding said property on the north.

Redemption waived by the decree. The successful bidder will be required to execute notes for the purchase money with the most undoubted security before the sale is closed, and on failure, the sale will be continued, reopening on the last preceding bid.

The title is perfect, as we are advised, but we do not personally warrant the same.

Our Latest Improved

NEW SCALE PIANO-FORTE.

GROVESTEEN & CO.,

499 Broadway, N. Y.,

THESE instruments, after the most flattering testimonials from the first Pianists in the country, who, at our solicitation, have tested them in the severest manner *possible*, have been pronounced THE FINEST PIANO FORTE MADE IN THE WORLD.

It has always been our policy, during the *thirty-six* years in which we have manufactured Pianos, *twelve thousand* of which are now in use in the United States and Europe, to give the finest instrument at the lowest price. Our superior facilities enable us to offer them from one to three hundred dollars less than any other First Class House.

The tone of these instruments are remarkable for their peculiar Sweetness and Great Brilliancy, never losing their quality when forced to their utmost capacity. The lower register retaining its positiveness, does not destroy the middle and upper registers by mingling with them in disagreeable confusion, the refined beauty of tone being equally delightful to the unpractised and to the most cultivated ear.

They are an entirely new style of Piano, finished in the most superb manner, *with our full round corners front and back*, heavily carved legs and Lyre Serpentine Base richly moulded, and each instrument is fully warranted for five years. sep6 d&wly
